EXTRA-CURRICULAR ACTIVITIES

Project demonstration at Creator IT Academy, Novoyavorivs'k

JULY, 2021

Presented portfolio to representatives from the Pecode company. Showcased the project's key features and technical aspects, while highlighting my development skills and problem-solving abilities. Utilized strong communication skills to engage the audience and answer questions. Received positive feedback from Pecode representatives.

Project demonstration at Creator IT Academy, Lviv

JUNE, 2022

As a member of the Creator IT Academy team, I presented several web projects in an online format for Sofserve, a leading software development company. This experience allowed me to showcase my ability to effectively communicate with clients and deliver high-quality work remotely. Through the use of various online tools and technologies, I demonstrated my adaptability and resourcefulness in navigating virtual work environments.
